# MOUNTAIN FRESH

425 Whitehead Avenue  
South River, NJ 08882  
Phone—732-238-6700  
Fax—732-238-5590

**GENERAL DESCRIPTION:** MOUNTAIN FRESH liquid laundry softener is a concentrated static reducer and fabric softener which adds a smooth, silky "feel" to flatwork and linens; fluffs out towels and diapers, leaving them comfortably soft. MOUNTAIN FRESH reduces static on nylon and other synthetic fibers, making them easier to clean and more comfortable to wear. MOUNTAIN FRESH lubricates the fabric, increasing productivity of flatwork operations. Less wrinkling, sticking and static means increased ironer speeds. Fabrics stay fresh and neat all through the day. MOUNTAIN FRESH also cuts laundry cycle time by reducing extraction time and reducing drying time. MOUNTAIN FRESH has a delightful fragrance that leaves fabrics, clean, fresh and soft. MOUNTAIN FRESH is safe for use on natural and synthetic fabrics.

**DIRECTIONS FOR USE:** MOUNTAIN FRESH is to be used in conjunction with the other Envirochem laundry products for a personally tailored laundry operation. MOUNTAIN FRESH is specially formulated to be dispensed directly from the shipping container through an automated injector system into the laundry machine, thereby eliminating hand feeding from powder hoppers and possible spillage. For normal laundry conditions, use 2 to 4 ounces of MOUNTAIN FRESH per hundred pounds of work. MOUNTAIN FRESH is completely soluble at all normal water temperatures. MOUNTAIN FRESH can be used at cold or warm (70-120 degrees) temperatures.

## HANDLING PRECAUTIONS:

### CAUTION: WARNING

### KEEP OUT OF REACH OF CHILDREN:

Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult a physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water.

Do not induce vomiting. Obtain prompt medical attention.

## PACKAGING:

5 gal plastic pail - 43 lbs net / 46 lbs gross  
15 gal plastic drum - 129 lbs net / 135 lbs gross

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

## PHYSICAL PROPERTIES:

Chemical Composition . . . . .	Static and wrinkle reducing agents; fabric softening agents; fragrance
Appearance . . . . .	Pink liquid
pH CONC. . . . .	6.0
pH of 1% solution . . . . .	6.1
Specific gravity . . . . .	0.99 (8.3 lbs/gal)
Penetration . . . . .	Immediate
Stability . . . . .	1 Year @ Ambient Temperature
Biodegradable . . . . .	Yes
Foam . . . . .	Low
Odor . . . . .	Pleasant
