

SO SOFT LIQUID FABRIC SOFTENER

ENVIROCHEM

425 Whitehead Avenue
South River, NJ 08882
Phone—732-238-6700
Fax—732-238-5590

GENERAL DESCRIPTION: SO SOFT liquid laundry softener is a concentrated static reducer and fabric softener which adds a smooth, silky "feel" to flatwork and linens; fluffs out towels and diapers, leaving them comfortably soft. SO SOFT reduces static on nylon and other synthetic fibers, making them easier to clean and more comfortable to wear. SO SOFT lubricates the fabric, increasing productivity of flatwork operations. Less wrinkling, sticking and static means increased ironer speeds. Fabrics stay fresh and neat all through the day. SO SOFT also cuts laundry cycle time by reducing extraction time and reducing drying time. SO SOFT has a delightful fragrance that leaves fabrics, clean, fresh and soft. SO SOFT is safe for use on natural and synthetic fabrics.

PHYSICAL PROPERTIES:

Chemical Composition . . .	Static and wrinkle reducing agents; fabric softening agents; fragrance
Appearance	Pink liquid
pH	6.5
Specific gravity	1.007(8.4 lbs./gal)
Penetration	Immediate
Stability	1 Year @ Ambient Temperature
Biodegradable	Yes
Foam	Low
Odor	Pleasant

DIRECTIONS FOR USE: SO SOFT is to be used in conjunction with the other Envirochem laundry products for a personally tailored laundry operation. SO SOFT is specially formulated to be dispensed directly from the shipping container through an automated injector system into the laundry machine, thereby eliminating hand feeding from powder hoppers and possible spillage. For normal laundry conditions, use 2 to 4 ounces of SO SOFT per hundred pounds of work. SO SOFT is completely soluble at all normal water temperatures. SO SOFT can be used at cold or warm (70-120 degrees) temperatures.

HANDLING PRECAUTIONS:

CAUTION: WARNING

KEEP OUT OF REACH OF CHILDREN:

Contact with skin and eyes may cause sever irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult a physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. Do not induce vomiting. Obtain prompt medical attention.

PACKAGING:

5 gal plastic pail - 43 lbs. net / 46 lbs. gross
15 gal plastic drum - 129 lbs. net / 135 lbs. gross
