PSC- Presoak

ENVIROCHEM

425 Whitehead Avenue South River, NJ 08882 Phone—732-238-6700 Fax—732-238-5590

This product utilizes the latest ingredients that are less hazardous to environment without sacrificing performance. An oxygen releasing compound formulated to provide fast, safe destaining power on tableware, utensils, microwave cookware, plastic ware, vacuum containers, coffee and tea urns, and percolators. Removes the toughest coffee and tea stains. Keeps tableware looking new.

PHYSICAL PROPERTIES:

Chemical Compositi	onPenetrating agents, ,
	stabilizing and buffering agents,
	soil suspending agents.
Appearance	liquid
pH	
	1.06(8.84 lbs./gal)
Stability	. 1 Year @ Ambient Temperature
Wetting Ability	Good
Free Caustic	None
Foam	Low to Moderate
Rinsing	Complete
	Complete and Fast
	Rapid

Directions

Pre-Soak: Use 1-2 oz. PSC PRESOAK per gallon of water prior to machine washing.

FOR PLASTIC, CHINA: Fill soak tank or sink with hot water and dissolve 1-2 ounces per gallon of water. Add tableware to solution making sure all tableware is completely submerged. Allow to soak until stains loosen and disappear. Rinse thoroughly when finished.

FOR COFFEE, TEA URNS: Fill urn with hot water and dissolve 2-4 ounces per gallon of water. Allow to soak until stains are removed (may take as long as 2 hours). Tough deposits may require agitation with a brush. Rinse urn thoroughly when finished.

Cautions

Contains hydrogen peroxide. Do not ingest or allow contact with skin or eyes. If ingested: Drink plenty of water and get medical attention immediately. Do not induce vomiting unless instructed by a physician to do so. Never give fluids to an unconscious person. In case of eye contact: If contacts are worn, remove and dispose of them, then raise eyelids and flush eyes with clear water for 15 minutes making sure to flush under eyelids. Get medical attention immediately. In case of skin contact: Remove contaminated clothing. Flush skin areas with clear water, then wash with a mild soap. If irritation occurs, get medical attention.
