GENERAL DESCRIPTION: ENVIRO KLEEN 2000 is a concentrated SOLID laundry detergent containing a specific blend of soil emulsifying agents. ENVIRO KLEEN 2000 is formulated with optical brighteners which provide superior results on all washable fabrics and is safe for synthetic and natural fibers. ENVIRO KLEEN 2000 removes stubborn soil and keeps it in suspension, preventing redeposition on fabric. ENVIRO KLEEN 2000 rinses quickly and completely, does not contain harsh alkalis, and is effective in all water hardness conditions and temperatures. ENVIRO KLEEN 2000 is biodegradable.

DIRECTIONS FOR USE:

ENVIRO KLEEN 2000 Solid Laundry Detergent is specially formulated to be used with automated injector systems. ENVIRO KLEEN 2000 can be dispensed directly from the shipping container, thereby eliminating hand feeding from powder hoppers and possible spillage. ENVIRO KLEEN 2000 is completely soluble in all normal water temperatures. For optimum soil release, use in hot (140°F) water for removing normal soils. Effective soil removal, at the concentrations and temperatures given, may be obtained during a normal 6 to 10 minute wash cycle. If extreme soil conditions exist, a longer or repeat cycle may be necessary. Use only in solid bowl type dispensers.

HANDLING PRECAUTIONS:

CAUTION: WARNING KEEP OUT OF REACH OF CHILDREN.

Alkaline solid. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.

PACKAGING: 4/5lb. capsules per case.

PHYSICAL PROPERTIES:

Chemical CompositionBuilders, soil suspending agents; mineral sequestering agents for hard water conditioning; neutrally charged surfactants for effective hard water washing.

Appearance..... Blue solid

pH of 4% solution..... 12.0

Penetration..... Immediate

Stability..... 1 Year @ Ambient Temperature

Wetting Ability Excellent

Biodegradable..... Yes

Foam..... Moderate

Rinsing Complete

Odor Pleasant
