ENVIROCHEM

425 Whitehead Avenue
South River, NJ 08882
Phone—732-238-6700
Fax— 732-238-5590

GENERAL DESCRIPTION: SUPERKLEEN DEEP FAT FRYER CLEANER offers thorough penetration of encrusted grease and grime. It is highly effective in the removal of those deposits found in baking ovens, especially baked-on fats, greases and carbon. It is recommended for use on SUPERKLEEN DEEP fryers, cookers and high temperature process equipment.

PROPERTIES:

Chemical composition Caustic soda, alkaline

builders, alkaline stable surfactants, rinsing agents, water conditioners, soil suspending agents.

Appearance..... White Powder

pH 1%12.8

Biodegradable..... Yes

Caustic Present

Metal Safety Safe on iron, steel, stainless steel.
It will attack aluminum and other soft metals

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

DIRECTIONS FOR USE:

DIRECTIONS: Drain all grease from fryer. Rinse fryer with hot water to remove excess undrained fat. For a fryer holding approximately 30 lbs. of fats or oils, fill with cool water to within 3 to 4 inches of top. Add 8 ounces of **DEEP FAT FRYER CLEANER** slowly to the cold water. Boil slowly for 20 minutes. Use proportionately more or less depending upon the size of the fryer. After termination of boiling, allow to drain slowly, and use long handled, heavy duty brush to clean sides, top, heating elements, etc. Then rinse thoroughly to remove all residue. In subsequent operations, less boiling time is required to perform this cleaning operation and the amount of **DEEP FAT FRYER CLEANER** may be cut in half.

ALWAYS USE GLOVES WHEN CLEANING OR RINSING.

HANDLING PRECAUTIONS:

**DANGER: HARMFUL IF SWALLOWED.
CONTACT WITH SKIN OR EYES CAN CAUSE
SEVERE BURNS.**

**KEEP OUT OF REACH OF CHILDREN.
DO NOT MIX WITH ANYTHING BUT WATER.
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.**

DANGER: Product contains caustic, alkaline materials—can cause severe burns. Protect skin, eyes and mucous membranes from contact with this product and its solutions. Use only as directed.

CAUTION - FIRST AID

EYES: Flush with water for at least 15 minutes. If irritation persists, obtain medical attention. **SKIN:** Wash with plenty of water for 15 minutes. If irritation occurs and persists, obtain medical attention. **INHALATION:** Remove from exposure. If discomfort occurs and persists, obtain medical attention. **INGESTION:** Drink water to dilute.
