GENERAL DESCRIPTION: SL6 SUPER SURFACTANT is a laundry detergent concentrate for use in hot or cold water. SL6 SUPER SURFACTANT is the result of the latest technology in surfactants and emulsifiers; raw materials that are designed to work equally well in hot or cold water. SL6 SUPER SURFACTANT is a specialized blend of soil suspending agents, emulsifiers, anti-redeposition agents, water conditioners, and optical brighteners. SL6 SUPER SURFACTANT will deliver clean linen when used in combination with SL3 Oxygen bleach and SL1 Laundry Break. Because of SL6 SUPER SURFACTANT's excellent rinsing and water conditioning properties, linen that was once dingy gray or yellow becomes white again! SL6 SUPER SURFACTANT will not only deliver clean, white linen but will actually reverse the graying or yellowing problem encountered in a troubled laundry. With SL6 SUPER SURFACTANT, even wool and silk may be laundered without causing damage.

PHYSICAL PROPERTIES:

Chemical Composition Soil suspending and rinsing agents; emulsifiers; anti-redeposition agents; mineral sequestering agents for hard water conditioning; neutrally charged surfactants for effective hard water washing.
Appearance Light Green Solid
pH 7.8
Specific gravity NA
Penetration Immediate
Stability 1 Year @ Ambient Temperature
Wetting Ability Excellent
Foam Moderate
Rinsing Complete
Biodegradable Yes

DIRECTIONS FOR USE:

SYNERGY 2000 SL6 SUPER SURFACTANT is specially formulated to be used with automated injector systems. SL6 SUPER SURFACTANT is dispensed directly from the container, thereby eliminating handling and possible spillage. For normal soils, use 1 to 2 ounces per hundred pounds of work. SL6 SUPER SURFACTANT is completely soluble at all normal water temperatures. Optimum soil release will result at any temperature from 50°F to 170°F. Effective soil removal at the concentrations and temperatures given may be obtained during a normal 6 to 10 minute wash cycle. If extreme soil conditions exist, a longer, or repeat cycle may be necessary.

HANDLING PRECAUTIONS:

CAUTION: FIRST AID

KEEP OUT OF REACH OF CHILDREN.

This product designed for commercial use only. Not intended for home use.

EYES: Flush with water for at least 15 minutes. If irritation persists, obtain medical attention. **SKIN:** Wash with plenty of water for 15 minutes.
