GENERAL DESCRIPTION: FLASH is a specially formulated heavy duty chlorinated detergent designed to produce clean and sparkling tableware with one pass through the dishwasher. FLASH is formulated to handle the toughest food soils in all water conditions in High Temperature dish machines.

FLASH is dispensed directly from the shipping container, thus eliminating messy spills and unsightly dish areas. This unique product is formulated to be dispensed through an automated injector system, assuring the lowest possible use cost.

PHYSICAL PROPERTIES:

Chemical CompositionAlkaline base; soil and mineral sequestering agents for water conditioning;
Appearance light amber clear liquid
pH 14
pH of 1% solution 12.4
Specific gravity 1.34 (11.2 lbs/gal)
Solubility Complete and Fast
Stability 1 Year @ Ambient Temperature
Caustic Present
Foaming Low
Biodegradable Yes, all surfactants
Water Hardness Tolerance . .15 Grains Per Gallon at 0.3%
10 Grains Per Gallon at 0.2%
5 Grains Per Gallon at 0.1%

RECOMMENDED RANGE OF USE CONCENTRATIONS:

Titrate with Institutional Alkalinity Test Kit. Use range is 0.1% to 0.3%, or 3 to 9 drops (each drop = .033%) using a 10 ml sample and 3 drops of Phenolphthalein Indicator. Select actual use concentration to handle water hardness and soil load.

NOTE: To properly titrate, adjust for raw water alkalinity by titrating H₂O just as you would a detergent solution. Subtract that number from total drop titration to derive intended detergent concentration.

Example: Raw water titrates 2 drops, total drop titration equals 8 drops. (8 - 2 = 6 x .033% = 0.2%)

HANDLING PRECAUTIONS:

CAUTION: WARNING

KEEP OUT OF REACH OF CHILDREN.

Highly alkaline liquid. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
