

CLORISOL PINK

425 Whitehead Avenue
South River, NJ 08882
Phone—732-238-6700
Fax— 732-238-5590

GENERAL DESCRIPTION: CLORISOL PINK is a concentrated, chlorinated detergent for cleaning soft ice cream machines and other food contact equipment. It is also ideal to use on hard, porous surfaces such as concrete to remove dirt and grease. Two and one half gallons of water containing two ounces of CLORISOL PINK (completely dissolved) is recommended for cleaning. For food contact surfaces, rinse and use ARREX-100 for final sanitizing. Periodic use of JIFFY MILKSTONE REMOVER or LSR scale and film remover is recommended to prevent buildups.

PROPERTIES:

Chemical composition Synthetic soil penetrating and soil suspending agent; chlorinating agents; water conditioning agents.
Appearance pink powder
Stability 1 Year @ Ambient Temperature
Chlorine 2.5%
pH 1% solution 11.0
Wetting Ability Excellent
Foaming Moderate
Solubility Complete and Fast

DIRECTIONS FOR USE:

To obtain an effective cleaning and sanitizing solution dissolve CLORISOL PINK according to the following use dilution table:

PPM of Chlorine	Oz. per gal. of water	Tbsp per gal.
50	1/4 oz.	1/2 tbsp
100	1/2 oz.	1 tbsp
200	1 oz.	2 tbsp
500	2.5 oz.	5 tbsp
1000	5 oz.	10 tbsp

HANDLING PRECAUTIONS:

**CAUTION: WARNING
KEEP OUT OF REACH OF CHILDREN**

Chlorinated powder. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult a physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. Do not induce vomiting. Obtain prompt medical attention.

PACKAGING:

4 /7.5lb plastic jars - 30 lbs net / 33 lbs gross
