ENVIROCHEM

425 Whitehead Avenue
South River, NJ 08882
Phone—732-238-6700
Fax— 732-238-5590

GENERAL DESCRIPTION:

CITRA SURF Liquid Laundry Detergent is a citrus degreaser enhanced concentrated detergent containing soil suspending agents, alkaline builders and optical brighteners to totally clean laundry when used in conjunction with other ENVIROCHEM Laundry products. Excellent soil suspension assures a high level of whiteness retention. CITRA SURF Liquid Laundry Detergent easily emulsifies greasy soils and is effective with all natural and synthetic fabrics. CITRA SURF is highly effective on the tough soils found on kitchen uniforms and wiping rags.

PHYSICAL PROPERTIES:

Chemical composition Natural citrus solvents,
Soil suspending and rinsing agents;
mineral sequestering agents
for hard water conditioning;
neutrally charged surfactants for
effective hard water washing.

Appearance Amber liquid
pH 12.6
pH of 1% solution 11.4
Specific Gravity 1.03 (8.6 pounds per gallon)
Wetting ability Excellent
Penetration Immediate
Odor Pleasant
Rinsing Complete
Foam Moderate
Biodegradable Yes, all surfactants
Stability 1 Year @ Ambient Temperature

INSTRUCTIONS FOR USE:

CITRA SURF Liquid Laundry Detergent is specially formulated to be used with automated injector systems. CITRA SURF Liquid Laundry Detergent can be dispensed directly from the shipping container, thereby eliminating hand feeding from powder hoppers and possible spillage. For normal soils, use 8 to 12 ounces per hundred pounds of work. CITRA SURF Liquid Laundry Detergent is completely soluble at all normal water temperatures. For optimum soil release, use in hot (140°F to 160°F) water for removing normal soils. Effective soil removal at the concentrations and temperature given may be obtained during a normal 6 to 10 minute wash cycle. If extreme soil conditions exist, a longer or repeat cycle may be necessary.

HANDLING PRECAUTIONS:

CAUTION - WARNING
KEEP OUT OF REACH OF CHILDREN.

Alkaline liquid. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult a physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.

PACKAGING:

5 gal plastic pail - 43 lbs net / 46 lbs gross
15 gal plastic drum - 129 lbs net / 135 lbs gross
