**GENERAL DESCRIPTION:** CLS1 is a uniquely designed cleaner. CLS1 is an enzyme enriched product that will not only clean washable surfaces and eliminate odors, but with the biological residual, its action will continue between uses. A concentrated solution of bacterial spores produce enzymes to digest proteins, greases and fats and wipe out odors. CLS1 is safe to use on any washable surface. No rinsing is required. A pleasant residual odor is left after using CLS1.

## USE DIRECTIONS:

### GENERAL

The product is ideal for cleaning concrete, ceramic floors, quarry tile, grout and brick. It is recommended for use in food service areas, schools, restaurants, hotels, nursing homes, restrooms and shower rooms.

CLS1 leaves surfaces brightened and sparkling clean.

May be applied with auto scrubber, mop, brush, pump sprayer or pressure washer.

For best results, remove excess soil. Slight agitation may be necessary. Rinse thoroughly with clean water as needed.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

### For Light Duty Cleaning:

Use 1 to 2 ounces of product per gallon of water.

### For Medium Duty Cleaning:

Use 3 to 4 ounces of product per gallon of water.

### For Grease, Oil and other Heavy Duty Cleaning:

Use 6 to 8 ounces of product per gallon of water.

**Garbage Trucks and cans:** For best results, spray on at the day's end. Rinse before using next day.

CLS1 can be used safely on any surface, not harmed by water alone including: concrete, carpet, grout, wood, stainless steel, Formica, vinyl, porcelain, and linoleum.

## HANDLING PRECAUTIONS:
