 Phone—732-238-6700  
 Fax— 732-238-5590

**GENERAL DESCRIPTION:** SURGE is a concentrated laundry detergent containing a specific blend of soil emulsifying agents. SURGE is formulated with advanced optical brighteners which provide superior results on all washable fabrics and is safe for synthetic and natural fibers. SURGE AF removes stubborn soil and keeps it in suspension, preventing redeposition on fabric. SURGE rinses quickly and completely, does not contain harsh alkalis, and is effective in all water hardness conditions and temperatures. SURGE is biodegradable and is formulated without dyes or fragrances.

**DIRECTIONS FOR USE:**

SURGE Liquid Laundry Detergent is specially formulated to be used with automated injector systems. SURGE can be dispensed directly from the shipping container, thereby eliminating hand feeding from powder hoppers and possible spillage. For normal soils, use 8 to 12 ounces per hundred pounds of work. SURGE is completely soluble in all normal water temperatures. For optimum soil release, use in hot (140°F to 160°F) water for removing normal soils. Effective soil removal, at the concentrations and temperatures given, may be obtained during a normal 6 to 10 minute wash cycle. If extreme soil conditions exist, a longer or repeat cycle may be necessary.

**PHYSICAL PROPERTIES:**

Chemical Composition . . . . . Soil suspending & rinsing agents; mineral sequestering agents for hard water conditioning; neutrally charged surfactants for effective hard water washing.  
 Appearance . . . . . Clear liquid  
 pH . . . . . 12.6  
 pH of 1% solution . . . . . 10.1  
 Specific gravity . . . . . 1.03 (8.6 lbs/gal)  
 Penetration . . . . . Immediate  
 Stability . . . . . 1 Year @ Ambient Temperature  
 Wetting Ability . . . . . Excellent  
 Biodegradable . . . . . Yes  
 Foam . . . . . Moderate  
 Rinsing . . . . . Complete  
 Odor . . . . . Pleasant

**HANDLING PRECAUTIONS:**

**CAUTION: WARNING  
 KEEP OUT OF REACH OF CHILDREN.**

Alkaline liquid. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.

**PACKAGING:**

5 gal plastic pail - 43 lbs. net / 46 lbs. gross  
 15 gal plastic drum - 129 lbs. net / 135 lbs. gross
