SAN-N-SOFT Commercial Fabric Softener/Sanitizer is a concentrated formulation designed for use in commercial laundry operations. When added in the final rinse cycle at the rate of 5 ounces per 100 pounds of dry laundry, this formulation provides fabric with residual self-sanitizing activity and residual bacteriostatic activity against odor-causing Gram positive and Gram negative organisms under conditions of high relative humidity or wet contamination.

SAN-N-SOFT Commercial Fabric Softener/ Sanitizer inhibits the growth of organisms which act on urine to produce ammonia in diapers and wet bed linens. It also softens clothes, thereby eliminating chafing and "static cling" from nylons and other synthetic fabrics. The use of this product will also help to improve ironing time.

ACTIVE INGREDIENTS:

n-Alkyl (60% C ₁₄ , 30% C ₁₆ , 5% C ₁₂ , 5% C ₁₈)	
dimethyl benzyl ammonium chlorides	.3.25%
n-Alkyl (68% C ₁₂ , 32% C ₁₄) dimethyl ethyl benzyl ammonium chlorides	.3.25%
Inert Ingredients	.93.5%
	100.0%

EPA Reg. No. - 1839-108-39189

EPA Est. No. 39189-NJ-01

PHYSICAL PROPERTIES:

Chemical Composition	.Static and wrinkle reducing agents; fabric softening agents; fragrance
Appearance	.Blue liquid
pH	.6
pH of 1% solution	.6.1
Specific gravity	.99 (8.3 lbs/gal)
Penetration	.Immediate
Stability	.1 Year @ Ambient Temperature
Biodegradable	.Yes
Foam	.Low
Odor	.Pleasant

DIRECTIONS FOR USE: **SAN N SOFT** is to be used in conjunction with the other Envirochem laundry products for a personally tailored laundry operation. **SAN N SOFT** is specially formulated to be dispensed directly from the shipping container through an automated injector system into the laundry machine, thereby eliminating hand feeding from powder hoppers and possible spillage. For normal laundry conditions, use 5 ounces of **SAN N SOFT** per hundred pounds of work. **SAN N SOFT** is completely soluble at all normal water temperatures. **SAN N SOFT** can be used at cold or warm (70-120 degrees) temperatures.

HANDLING PRECAUTIONS:

CAUTION: WARNING

KEEP OUT OF REACH OF CHILDREN:

Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult a physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. Do not induce vomiting. Obtain prompt medical attention.

PACKAGING:

5 gal plastic pail - 43 lbs. net / 46 lbs. gross
15 gal plastic drum - 129 lbs. net / 135 lbs. gross
