GENERAL DESCRIPTION: SYNERGY 2000 COMPLETE Solid Laundry Detergent is the result of the latest technology in non-caustic builders and water conditioners, surfactants and emulsifier. These raw materials, combined with the SYNERGY Activated oxygen bleaching system are designed to work equally well in hot or cold water and give the unequalled performance of safety bleach and detergent in a single product. The inclusion of a luxurious fabric softener makes Synergy 2000 Solid Laundry Detergent COMPLETE. SYNERGY 2000 COMPLETE will deliver clean linen with excellent stain removal and no need for additional bleach.

Because of COMPLETE's excellent rinsing and water conditioning properties, linen that was once dingy gray or yellow becomes white again! SYNERGY 2000 COMPLETE will not only deliver clean, white linen but will actually reverse the graying or yellowing problem encountered in a troubled laundry.

PHYSICAL PROPERTIES:

Chemical Composition Soil suspending builders; surfactants, emulsifiers; anti-redeposition agents; mineral sequestering agents for hard water activated oxygen bleach, and fabric softeners

Appearance..... Light Blue Solid
pH of 1% Solution 9.5
Penetration..... Immediate
Stability 1 Year @ Ambient Temperature
Wetting AbilityExcellent
Foam.....Moderate
Rinsing Complete
Biodegradable..... Yes

DIRECTIONS FOR USE:

SYNERGY 2000 SOLID COMPLETE is specially formulated to be used with automated injector systems. COMPLETE is dispensed directly from the container, thereby eliminating handling and possible spillage. For normal soils, use 1½ ounces per fifty pounds of work. COMPLETE is soluble at all normal water temperatures. Optimum soil release and stain removal will result at any temperature from 120°F to 140°F. Effective soil removal at the concentrations and temperatures given may be obtained during a normal 6 to 10 minute wash cycle. If extreme conditions exist, a longer, or repeat cycle may be necessary.

HANDLING PRECAUTIONS:

**CAUTION: FIRST AID
KEEP OUT OF REACH OF CHILDREN.**

This product designed for commercial use only.
Not intended for home use.
