

EBAR GLASS WASH

ENVIROCHEM

425 Whitehead Avenue
South River, NJ 08882
Phone—732-238-6700
Fax— 732-238-5590

GENERAL DESCRIPTION: EBAR GLASS WASH is a medium to heavy duty cleaner. A unique blend of wetting and emulsifying agents gives EBAR GLASS WASH its superior ability to penetrate even the toughest soils. Once the bond is broken, soil is held in suspension - no re-depositing. Rinsing is complete, leaving a surface that is free from residue. It is intended for use in manual bar glass washing applications and will not inhibit the foam from tap dispensed beverages. EBAR removes lipstick stains, grease, odors and other soils. EBAR does not affect beer heads and is mild to hands and works well in all water hardness conditions.

PHYSICAL PROPERTIES:

Chemical Composition Penetrating agents;
soil and grease emulsifiers;
soil suspending agent;
water conditioning agents;
soil and grease penetrants.

Appearance..... White, free flowing powder
pH of 1% solution 10.0
Stability..... 1 Year @ Ambient Temperature
Wetting Ability Excellent
Free Caustic..... None
Foam Moderate
Rinsing Complete
Odor Mild

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

DIRECTIONS FOR USE:

EBAR Glass Wash should be used at 1 tablespoon (1/2 ounce) per 2 gallons hot water.

HANDLING PRECAUTIONS:

CAUTION: WARNING KEEP OUT OF REACH OF CHILDREN.

Alkaline liquid. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.
