GENERAL DESCRIPTION: L502 ALL PURPOSE CLEANER is a medium to heavy duty, liquid cleaner. A unique blend of wetting and emulsifying agents gives L502 its superior ability to penetrate even the toughest soils. Once the bond is broken, soil is held in suspension - no redepositing. Rinsing is complete, leaving a surface that is free from residue. It is intended for use in food, beverage, dairy and other industries for penetrating and lifting greases and oils from hard surfaces such as concrete, paint composition floors, extension equipment surfaces, walls, etc. L502 All Purpose Cleaner is safe for all surfaces that are not harmed by water.

PHYSICAL PROPERTIES:
