**GENERAL DESCRIPTION:** BAR GLASS WASH is a medium to heavy duty, liquid cleaner. A unique blend of wetting and emulsifying agents gives BAR GLASS WASH its superior ability to penetrate even the toughest soils. Once the bond is broken, soil is held in suspension - no redepositing. Rinsing is complete, leaving a surface that is free from residue. It is intended for use in manual bar glass washing applications and will not inhibit the foam from tap dispensed beverages. Bar glass wash is a very effective product for the removal of lipstick.

**PHYSICAL PROPERTIES:**
