GENERAL DESCRIPTION: SYNERGY 2000 SOLID LAUNDRY DETERGENT is the result of the latest technology in non-caustic builders and water conditioners, surfactants and emulsifiers; raw materials that are designed to work equally well in hot or cold water. SOLID LAUNDRY DETERGENT is a specialized blend of builders soil suspending agents, emulsifiers, anti-redeposition agents, water conditioners, and optical brighteners. SYNERGY 2000 SOLID LAUNDRY DETERGENT will deliver clean linen when used in combination with SYNERGY 2000 activated solid laundry Bleach and solid laundry Break for heavy soils.

Because of Solid Detergent's excellent rinsing and water conditioning properties, linen that was once dingy gray or yellow becomes white again! SYNERGY 2000 SOLID DETERGENT will not only deliver clean, white linen but will actually reverse the graying or yellowing problem encountered in a troubled laundry.

PHYSICAL PROPERTIES:

Chemical Composition . . . Soil suspending builders and agents; surfactants, emulsifiers; anti-redeposition agents; mineral sequestering agents for hard water conditioning;

AppearanceLight Green Solid
pH of 1% Solution. 9.5
Penetration.Immediate
Stability1 Year @ Ambient Temperature
Wetting AbilityExcellent
FoamModerate
RinsingComplete
BiodegradableYes

DIRECTIONS FOR USE:

SYNERGY 2000 SOLID LAUNDRY DETERGENT is specially formulated to be used with automated injector systems. SOLID DETERGENT is dispensed directly from the container, thereby eliminating handling and possible spillage. For normal soils, use 1 to 2 ounces per hundred pounds of work. SOLID DETERGENT is completely soluble at all normal water temperatures. Optimum soil release will result at any temperature from 50°F to 170°F. Effective soil removal at the concentrations and temperatures given may be obtained during a normal 6 to 10 minute wash cycle. If extreme soil conditions exist, a longer, or repeat cycle may be necessary.

HANDLING PRECAUTIONS:

CAUTION: FIRST AID

KEEP OUT OF REACH OF CHILDREN.

This product designed for commercial use only. Not intended for home use.

EYES: Flush with water for at least 15 minutes. If irritation persists, obtain medical attention. **SKIN:** Wash with plenty of water for 15 minutes.
